

The Bremick logo is positioned at the top center of the page. It features the word "BREMICK" in a bold, white, sans-serif font. The letter "E" is stylized with three horizontal bars, and the entire logo is set against a dark, textured background that is part of a larger graphic element resembling a metallic or industrial structure.

BREMICK®

FixConn®

Fix + Connect + Construct

The new FixConn® range of construction fasteners by Bremick provides a full solution of heavy duty fasteners for timber, steel and concrete. Engineered and designed for Heavy Duty Construction.

2022

FixConn® is a registered trademark of Bremick

The FixConn® Range Offer

FixConn® is a mixed range of construction based fasteners designed for heavier trade materials & applications. These purpose designed products ensure you have the product the trade will ask for by name.

FIXING TO TIMBER

FIXING TO METAL

FIXING TO CONCRETE

Sharks Tooth® Construction Screw

For fastening heavy timber to timber

Maximum corrosion protection with a washer head for superior clamping force

Heavy Duty Construction Screw

For heavy duty fastening timber to timber

Maximum protection into treated timbers with a washer head for superior clamping force

Heavy Duty Landscaping Screw

For fastening heavy duty timber to timber

This screw comes in lengths from 175mm – 250mm for all applications

Winged Deep Driller – Metal

For heavy duty fastening timber to Lintels and I beams

Capable of drilling through up to 12.5mm of steel plate, no pre-drilling required

Metal Drilling Batten Screw

For medium duty fastening timber to metal batten

Drills through purlins up to 5mm thick and designed for larger decking boards into steel

Heavy Duty Concrete Screw

For heavy duty fastening bottom plate and timber to concrete slab

Designed for fast installation of bottom plates into residential or commercial slabs

SUPERIOR COATING TECHNOLOGY

TECHNOGUARD COATING
Multi-layered Class 3 protective coating, compatible for use in treated timbers

B8® COATING
Double the corrosion protection of conventional Class 4 in category 5 environments

Bremick's added value

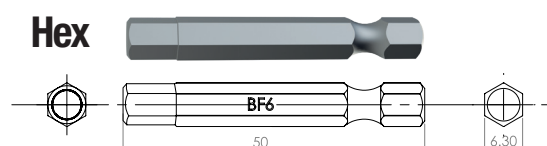

- Renowned for quality & engineered products
- Family business supports independents
- Category management and customer Service focused
- Consolidation with existing Bremick products
- Professional territory managers, consistent call patterns & overnight deliveries
- POS provided free of charge for new programs with complete listing of all product for easy upload
- Discuss with your Bremick sales manager today to take advantage of opening order incentives
