

BREMICK®

**BREMICK'S
BUILDERS &
Signature
HINGES**

2021

The Hinges Range Offer

The new hinge category by Bremick offers an extensive range of functional and contemporary products that are designed & manufactured for Australian consumers & conditions. The overall hinge offer is **designed to satisfy the common applications of standard butt hinges through to high quality architectural products.**

Bremick have also invested heavily into product design & manufacture, ensuring **consistent quality and functionality** that is demanded by the **Trade & DIY consumers.** While also researching the different finishes and trends within the Australia market making the Bremick offer a complete category solution.

Packaging & POS

This customer-centric range meets market demands in **both coastal and rural areas.** Product literature, point of sale and card artworks have been created with application in mind.

Bremick are providing a **blister on card format** for all retail based hinges. Its important for a lot of retail consumers that they can **clearly see the product** they are looking to purchase as well as having clear & easy to follow instructions.

Blister packaging information includes:

- + Product Name
- + Product Code
- + Size & Quantity
- + Barcode
- + Dimensional Specs
- + Pin Type
- + Finish
- + Instructions
- + In Situ Render

Range Colour Coding
