Bremick's added value

- Renowned for quality & engineered products
- Family business supports independents
- Renowned for quality and engineered products
- Category management and customer service focused
- New ranges have been developed and rationalised to maximise sales and space on shelf
- Professional territory managers, consistent call patterns & overnight deliveries
- Labels have been created in a contemporary fashion and designed to be attractive to customers, assisting them in their buying decision
- Most labels refer to a standard and display a working load limit as well as product information
- Pricing is competitive and will remain competitive
- POS provided free of charge for new programs
- Discuss with your Bremick sales manager today to take advantage of opening order incentives

Planograms have been set up based on a customer decision tree and to facilitate customer traffic flow between duty loads.

Conforms to ASTM International Standards.
